Bath Fitter will install a new bathtub or shower that fits within budget, without displacing tenants. Our custom solutions, which include a variety of bath styles, shapes, colors, wall patterns and accessories, are based entirely on each client's needs and preferences. Our acrylic liners and walls are durable and non-porous, which means they have great longevity and are easy to clean, making them an ideal choice for your project, large or small. Bath Fitter's unique installation process involves no demolition and bathrooms can be back in service in as little as one day.

## Overview

Since 1984 we have redefined how hotels, apartment buildings, and large facilities renovate their bathtubs for the best value. With over 230 locations across the U.S. and Canada and two state-of-the-art manufacturing facilities, you will benefit from local market expertise combined with a strong National organization.

Our solutions are based entirely on your needs. No matter what your situation, bathtub or shower, our products are custom made to fit right over the existing unit which guarantees a perfect, watertight fit.

## Solutions for all your needs.

Bath Fitter offers a range of bathroom solutions so we can meet all your renovation needs.

### Bathtubs

Our acrylic bathtub liners are custom made to fit perfectly over existing bathtubs. Available in a range of colors and patterns with our seamless wall systems to complete the installation.

### Showers

Our acrylic shower bases and matching seamless wall systems are custom made to fit perfectly over the existing shower unit. Complete the installation by choosing from a wide range of accessories and shower doors.

### Tub-to-shower

Bath Fitter can convert your existing bathtub into an extra large shower. The existing bathtub is removed and replaced with an attractive, durable, extra large shower base. A range of wall patterns, colors, and accessories are available to complete the look.

### Easy access shower

Bath Fitter can convert your existing bathtub into an easy-access extra large shower. The existing bathtub is removed and replaced with an extra low threshold shower base. The easy-access shower is ADA compliant and perfect for individuals with mobility issues.

## Our features

- A SOAP DISHES & SHELVES**  
Soap dishes and shelves are designed to fit seamlessly because they are colour matched to our one-piece seamless wall.
- B FAUCETS**  
Choose from a variety of stylish models and multipurpose showerheads from brand name manufacturers like Moen and Delta.
- C GRAB BARS**  
A great safety addition to your bath or shower remodel. Grab bars are available with a smooth or textured design and in a variety of finishes.
- D SHOWER SEATS**  
Convenient solutions for people with mobility issues.
- E SHOWER RODS & DOORS**  
Choose from a variety of sliding, pivot, neo-angle, or curved door options. Or expand your shower space by up to 35% with a curved curtain rod.
- F CEILING & FLOORS**  
From easy access floors to dome or flat ceilings, customize your bath or shower to fit your needs.
